

Every night in Advent, between the 1st and 24th December, a different house or community building in Creech St Michael will light up a window, to tell part of the Christmas story. Each window will be lit up from 5pm till 8pm. Follow the map to find a different window each night and see if you can find them all!

Spot a letter of the alphabet in each window and fill in the correct blanks below to work out the special Christmas message:
